Caito Fisheries, Inc. is a processor of Groundfish, Dungeness Crab and California King Salmon with processing plants in Eureka, Fort Bragg and San Francisco. We also have a receiving facility in Crescent City. Caito Fisheries, Inc. strongly supports Proposal 2XA for the commercial and recreational user groups. Proposal 2XA is the best one for traditional uses and, also minimizes the negative economic impact on the communities affected by the MLPA's. We ask for your support in adopting Proposal 2XA.

Sincerely,

Joseph A. Caito
President
